Healthcare Services

All UCSF registered students and adult enrollees in the Student Insurance Plan are eligible to receive care at Student Health & Counseling Services. For more information, see [Enrollment & Eligibility \[1\]](#). For information about pediatric care, see [Pediatric Benefits \[2\]](#).

Primary Care

SHCS offers comprehensive primary health care for all UCSF students and enrollees.

» [Learn more about Primary Care \[3\]](#)

Counseling & Psychological Services

Visits with a mental health provider are available for students and enrollees.

» [Learn more about Counseling & Psych Services \[4\]](#)

Nursing Consult

SHCS Registered Nurses are available for drop-in consultation and triage.

» [Learn more about Nursing Consults \[5\]](#)

Traveler's Health

SHCS offers travel consultations with either a SHCS primary care provider or the travel nurse.

» [Learn more about Traveler's Health \[6\]](#)

Wellness Programs & Outreach

SHCS offers workshops and programs, such as Meditation and Stretch & Relax every quarter.

» [Learn more about our Wellness Programs & Outreach \[7\]](#)

Specialty Care Coordination & Referrals

SHCS providers authorize medically-necessary referrals to patients who need to see a specialist.

» [Learn more about Specialty Care Coordination & Referrals \[8\]](#)

Immunizations & TB Screening

Students and enrollees are eligible to receive immunizations and TB testing at SHCS.

» [Learn more about Immunizations & TB Screening \[9\]](#)

Medical Records Request

Patients may request to review or obtain a copy of their SHCS medical records at anytime.

» [Learn more about Medical Records Request \[10\]](#)

Dental Care

The dental plan is provided through the Student Insurance Plan and is underwritten by Delta Dental.

» [Learn more about Dental Care \[11\]](#)

Vision Care

Enrollees have access to vision care coverage through Anthem Blue View Vision.
