ER Locations in San Francisco

If you have a life threatening emergency, call 911 or go to the nearest ER.

If you have visited an emergency room recently, make sure to send SHCS the clinical notes from your visit as soon as possible in order to facilitate follow-up care and make sure the data is in your SHCS chart. For more information, visit ER/Urgent Care Claims [1].

UCSF ER

UCSF Emergency Room (Moffitt Long)
