Student Health Insurance Plan (SHIP)
2023-24 Plan Year Waiver Criteria
Effective 8/1/2023**

- I. All plans must provide unrestricted access to an in-network primary care provider, in-network hospital *and* full, non-emergency medical and behavioral health care within reasonable distance of campus or the student's place of residence (if online learning only) while attending school. Such distance shall be determined at the discretion of each campus based upon its unique geographic considerations and local availability of services. (The waiver form will indicate the distance requirement appropriate for each campus.)

NOTE: this criterion applies to all plan types without exception, including Medi-Cal or Medicaid, Medicare, TRICARE, VA Benefits, HMOs (including Kaiser, WHA, and others), Covered California or other U.S. federal or state exchange plans, all employee-sponsored and individual plans.
