This form should be used by University employees and students to request an Exception to the COVID-19 vaccination requirement in the University’s SARS-CoV-2 Vaccination Program Policy based on (a) Medical Exemption due to a Contraindication or Precaution to COVID-19 vaccination recognized by the U.S. Centers for Disease Control and Prevention (CDC) or by the vaccines’ manufacturers or (b) Disability.

Fill out Part A to request an Exception based on Medical Exemption. Fill out Part B to request an Exception based on Disability. Both sections may be completed if both apply to you. Important: Do not identify any diagnosis, disability, or other medical information. That information is not required to process your request.

Part A: Request for Exception Based on Medical Exemption

☐ The Contraindications or Precautions to COVID-19 vaccination recognized by the CDC or by the vaccines’ manufacturers apply to me with respect to all available COVID-19 vaccines. For that reason, I am requesting an Exception to the COVID-19 vaccination requirement based on Medical Exemption. My request is supported by the attached certification from my health care provider. **I understand that some local (city/county) public health departments have issued orders specifying that the certification must be signed by a physician, nurse practitioner, or other licensed medical professional practicing under the license of a physician.**

Part B: Request for Exception Based on Disability

☐ I have a Disability and am requesting an Exception to the COVID-19 vaccination requirement as a Disability accommodation. My request is supported by the attached certification from my health care provider. **I understand that some local (city/county) public health departments have issued orders specifying that the certification must be signed by a physician, nurse practitioner, or other licensed medical professional practicing under the license of a physician.**

*** FORM CONTINUES ON NEXT PAGE ***
Please provide any additional information that you think may be helpful in processing your request. *Again, do not identify your diagnosis, disability, or other medical information.*

While my request is pending, I understand that I must comply with the Non-Pharmaceutical Interventions (e.g., face coverings, regular asymptomatic testing) for unvaccinated or not fully vaccinated individuals as a condition of my Physical Presence at any University Location/Facility or Program. These required Non-Pharmaceutical Interventions are defined by my Location’s public health, environmental health and safety, occupational health, or infection prevention authorities, including the Location Vaccine Authority. I also understand that I must comply with any additional Non-Pharmaceutical Interventions applicable to my circumstances or position, as required by my Location. If my request is granted, I understand that I will be required to comply with Non-Pharmaceutical Interventions specified by my Location as a condition of my Physical Presence at any University Location/Facility or Program.

I verify the truth and accuracy of the statements in this request form.
