A Health Plan That’s All About You

The sole mission of the not-for-profit University of California Student Health Insurance Plan is to offer high-quality, affordable and convenient health insurance. UC SHIP covers medical care on campus and through UC’s world-class academic medical centers and other providers.

You’re automatically enrolled in medical, pharmacy, dental and vision coverage for up to 12 months — including summer and term breaks. And you can enroll a spouse/domestic partner and/or children. Your coverage includes medical services anywhere in the world.

Welcome to the UC SHIP family! Explore to learn more.
Students Come First — Always

UC SHIP is built specifically for UC students, with students actively involved in its design. Since inception, the guiding principle has been simple: Your health and health needs come first — always.

UC SHIP meets the requirements of the Affordable Care Act (ACA). UC SHIP remains focused on meeting student health needs and priorities, including mental health.

You’re Automatically Enrolled

Because UC students are required to have medical insurance, UC automatically enrolls registered students — including domestic and international students, and students in absentia — in UC SHIP medical, pharmacy, dental and vision coverage. You will find the cost of coverage (premium) on your registration bill.

You can waive UC SHIP coverage if you already have a health plan that meets the university’s health coverage requirements. Go to studenthealth.ucsf.edu/insurance-waiver to learn how to waive enrollment in UC SHIP before the designated fee payment deadline.

Note: You must reapply to waive coverage each academic year.

You Can Cover Your Spouse, Domestic Partner and Child(ren) Too

If you’re enrolled in UC SHIP and are married and/or have children, during the enrollment period you can enroll those eligible dependents in the same medical, pharmacy, dental and vision coverage you have for yourself. For information about who you can enroll in UC SHIP, go to myucship.org > Eligibility and Enrollment.

Note: You must reenroll dependents every term.

The UC SHIP Plans Meet Affordable Care Act (ACA) Requirements

UC SHIP is recognized by the Centers for Medicare & Medicaid Services (CMS) as minimum essential coverage (MEC) in compliance with the ACA. This means UC SHIP members meet the ACA individual mandate.

UC SHIP is convenient to access through the on-campus Student Health and Counseling Services (SHCS). Start there for covered non-emergency medical care and for referrals to specialists when needed.

When compared to preferred provider organization (PPO) plans, UC SHIP provides a broader physician network and lower deductibles and out-of-pocket maximums.

With UC SHIP, you can choose to see any provider with a referral from SHCS.

Glossary of Terms

Annual benefit maximums: The most the plan will pay out over the coverage period.

Anthem Blue Cross PPO providers: Providers/facilities in the Anthem Blue Cross Prudent Buyer PPO network.

Coinsurance: The percentage of the maximum allowed amount that you are responsible for paying.

Copay: The predetermined dollar amount you are responsible for paying.

Fee schedule: The maximum amount Delta Dental will pay for services (sometimes called a plan allowance).

Separate benefit-year deductibles (annual deductible): The amount you pay before UC SHIP pays for services. Deductibles differ based on service provider.

Separate limits on your out-of-pocket costs: If your combined medical and prescription drug expenses reach this amount, UC SHIP will pay 100% of your covered expenses for the rest of the benefit year. This includes deductibles, coinsurance and copays. Limits differ based on service provider.
**Getting Care**

**Your First Stop for Medical Care Is ALWAYS Student Health and Counseling Services**

For routine care, start at Student Health and Counseling Services (SHCS) on campus. This is the first stop for care that is covered by UC SHIP, except for emergency care in an emergency room, urgent care clinic visits, pediatric care, obstetrics services, gynecological care or LiveHealth Online virtual visits.

SHCS is an on-campus outpatient health center offering a range of health services — from primary care to routine checkups, mental health and substance use disorder services, and general care for unexpected issues, like sore throats or swollen ankles.

You will be cared for by a team of experts in young adult health — board-certified physicians, certified nurse practitioners, psychiatrists, psychologists and licensed clinical social workers.

**Get a Referral for Medical Care Outside Student Health and Counseling Services**

If needed, SHCS will refer you to, and coordinate, additional or specialist care outside SHCS. You will need a referral for care outside SHCS, no matter how far from the campus you receive that care. Without it, UC SHIP will not provide any benefits. To get a referral, meet with an SHCS provider. Your diagnosis and location will determine whether a referral will be granted.

If services rendered are medically necessary and covered by the plan, your referral gives you options for off-campus care, including:

- **UC medical centers.** Any of the six nationally ranked medical centers (at Davis, Irvine, Los Angeles, Riverside, San Diego and San Francisco) or a UC-affiliated facility, doctor or other health care provider. (Be sure to get a referral before making an appointment.) Care within the UC Family is discounted for students, there are no deductibles to meet, and the plan pays a bigger portion of care.

- **Anthem Blue Cross Prudent Buyer PPO network doctors and other providers and facilities.** A nationwide network of more than 50,000 physicians and 400 hospitals. You may have to pay a deductible (see the Medical Coverage chart), then UC SHIP will pay most of the cost, and you’ll pay the rest through a copay or coinsurance (the amount you’re responsible for after UC SHIP pays its share).

If you are referred for services outside SHCS, ask for provider recommendations.

---

**You’re Covered Around the World**

Whether studying, traveling or living outside the country, you and your dependents covered under UC SHIP can get care through the Blue Cross Blue Shield Global Core program. Learn more at bcbsglobalcore.com.

**REFERRALS ARE REQUIRED**

You must get an SHCS referral for care outside SHCS, regardless of the distance from campus, except for the following: emergency room care and visits to urgent care clinics, pediatric care, obstetrics services, gynecological care and LiveHealth Online virtual visits.

Note: You will be responsible for paying a deductible and part of the cost through a copay or coinsurance (the amount you’re responsible for after UC SHIP pays its share).

Anthem Blue Cross makes the sole and final determination as to whether services were rendered in connection with an emergency.
Medical Coverage
To be covered by UC SHIP, all care must start with SHCS. The chart below highlights what UC SHIP covers and how much you pay for services. For certain services, you will pay a deductible for care you receive outside SHCS, UC doctors or facilities. After you meet the deductible, the plan will pay a portion of the cost. Certain expenses and services are excluded from medical coverage.
Non-emergency care outside SHCS requires a written referral from an SHCS provider. See Getting Care for exceptions.
UC Family providers include SHCS, UCSF Medical Center, and any other UC medical centers and their affiliated facilities and professional providers.
For details, go to myucship.org > Coverage > Medical.

| Pharmacy Coverage
You can fill prescriptions at any pharmacy, but you’ll pay less when you use an OptumRx network pharmacy. Not all prescription drugs are covered by UC SHIP. For details, go to myucship.org > Coverage > Prescription Drugs. Your share of prescription drug costs counts toward the combined annual medical/pharmacy out-of-pocket limit listed above. There are more details about the combined annual out-of-pocket limits in the Medical Coverage chart above, or visit the UC SHIP website at myucship.org > Coverage > Prescription Drugs.
