### UC San Francisco Students and Covered Dependents

Coverage for: Student/Family | Plan Type: PPO

The Summary of Benefits Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, [www.ucop.edu/ucship/plan-documents/](http://www.ucop.edu/ucship/plan-documents/) or by calling 1-866-940-8306. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary](http://www.healthcare.gov/sbc-glossary).

Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	There is no <u>deductible</u> for UC Family <u>providers</u> . For <u>network providers</u> : \$200/person or \$400/family; <u>Out-of-network provider</u> : \$750/person or \$1500/family.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes, <u>network preventive services</u> , emergency room, <u>urgent care</u> , acupuncture, chiropractic, physician office visits, family planning, medical evacuation, repatriation and <u>prescription drugs</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits">https://www.healthcare.gov/coverage/preventive-care-benefits</a>
<b>Are there other <u>deductibles</u> for specific services?</b>	Yes. Pediatric dental: \$60/person or \$120/family. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	For UC family <u>providers</u> : \$2,000/person or \$4,000/family. <u>network providers</u> : \$3,000/person or \$6,000/family. For <u>out-of-network providers</u> : \$6,000/person or \$12,000/family. For pediatric dental: \$1,000/person or \$2,000/family.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>balance-billed</u> charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.anthem.com/ca">www.anthem.com/ca</a> or call (866) 940-8306 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the

<p><b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b></p>	<p>Yes for students and no for dependents.</p>	<p>This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services, but only if you have a <u>referral</u> before you see the <u>specialist</u>.</p>
